

Business Rules License Agreement

- 1. Grant of License** Application Development Systems, a Texas Corporation, (“Licensor”) grants you (“Licensee”) a non-exclusive, non-transferable license to use the *Business Rules* software for personal, business, and commercial purposes.
- 2. Free Use Tier (Up to 4 Users)** Licensee may use *Business Rules* at no cost for configurations supporting up to **four (4) concurrent users**. All features included in the free tier may be used for commercial operations without additional fees.
- 3. Paid Use Tier (More Than 4 Users)** Configurations supporting **five (5) or more concurrent users** require a paid commercial license. Licensee must obtain a valid paid license before deploying or enabling access for more than four users.
- 4. Restrictions** Licensee **may not**, under any circumstances:
 - Reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code or internal design of *Business Rules*.
 - Create derivative works or functional equivalents intended to replicate, replace, or substantially duplicate the behavior, architecture, or core functionality of *Business Rules*.
 - Circumvent licensing limits or user-count restrictions.
- 5. Intellectual Property** *Business Rules* is the exclusive intellectual property of the Licensor. This agreement does not transfer ownership of the software, its components, or any related materials.
- 6. Redistribution** Licensee may not redistribute, sublicense, or make the software available to third parties except as explicitly permitted in a separate written agreement with the Licensor.
- 7. Warranty & Liability** The software is provided “as-is,” without warranty of any kind. The Licensor is not liable for any damages arising from use or inability to use the software.
- 8. Acceptance** By installing, accessing, or using *Business Rules*, Licensee agrees to all terms of this License Agreement.
